**\*Families who qualify for Variable Tuition receive anywhere from 10% - 25% in needs-based assistance.**

**Families will be set up on an automatic 10-month payment plan. (July – January and March – May) February we will not collect tuition because families will pay re-enrollment fees for the upcoming school year. Additional payment plan options are available.**

### **NON-REFUNDABLE FEES**

**All enrollment, re-enrollment, and student fees are non-refundable.** The \$150 re-enrollment fee secures your student's placement in the upcoming school year. (\$450 family max) For new students, the enrollment application fee is due at the time of enrollment.

### **FINANCIAL ASSISTANCE OPTIONS**

DCA offers **Variable Tuition** for full-time students in Pre-K 3, Pre-K 5, and K – 12<sup>th</sup>. This program provides financial assistance based on the family's financial circumstances and is assessed annually through the Grand & Aid application process available in FACTS. This application must be filled out each school year. Please note that Variable Tuition does not cover student fees, re-enrollment, or other expenses outside of tuition.

### **PAYMENT PLAN OPTIONS**

DCA utilizes FACTS Tuition Management to facilitate payment plans for families. We require all tuition payment plans to be established on automatic draft. Families may choose to use a checking or savings account, or, for an additional processing fee, a credit card. Payment frequency options include:

1. Full payment: Due by August 1<sup>st</sup> for the upcoming school year
2. Semester payments: Due by August 31<sup>st</sup> and January 31<sup>st</sup>
3. Monthly or bi-monthly payments: Due on day of choice (July – January and March – May)
4. Additional payment plans can be set up through DCA's business office

Please note that February tuition payments are not collected, as families will be responsible for re-enrollment fees for the upcoming school year. Withdrawal from DCA after July 1<sup>st</sup> renders all paid tuition non-refundable, and families remain accountable for further payments as outlined in DCA's Withdrawal Policy.

### **ADDITIONAL EXPENSES**

Families are responsible for additional expenses charged to their account such as lunches and field trips.

### **RE-ENROLLMENT**

During re-enrollment, **current Pre-K 3, Pre-K 4, and Pre-K 5 families** must *manually* re-enroll their students online through the Renweb Family Portal under the Apply/Enroll tab on the left. Availability is on a first come, first serve basis. Families will be charged the \$150 non-refundable re-enrollment fee in February.

### **WITHDRAWAL POLICY**

If a student currently K – 11<sup>th</sup> grade will not return to DCA the following school year, parents must submit a written statement of withdrawal **before February 1<sup>st</sup>** to avoid paying the re-enrollment fee. Any Pre-K 3 – 12<sup>th</sup> grade withdrawal occurring during the school year requires a **meeting with the principal**. Parents are liable for tuition in full for the month a student withdraws. In accordance with DCA's Continuous Enrollment Program, if a withdrawal occurs after February 1<sup>st</sup>, parents are responsible for each student's re-enrollment fee and student fee.
